Wedding More Terms and Conditions

The essentials

Wedding More is our wedding planning service. It is included in the same Quote and on the same invoice as the catering.

These Terms only govern what is specific to Wedding More. Everything else is governed by the Amida Catering Terms and Conditions (clause 1.2).

Full or partial planning, in Mallorca only. The catering for your Wedding is always provided by us.

It includes up to 40 hours of planning and 6 meetings or video calls of no more than 1.5 hours each. On the Wedding day we are with you until the party begins and, after that, we take care of the coaches.

The fee is fixed. It does not change with the number of guests or suppliers; only if you extend the Service (for example, a church ceremony, a pre-wedding or a post-wedding event).

15 days after the initial payment you pay the Wedding More payment on account: €2,500 plus VAT (€3,025 VAT included). The rest is paid in the final pro forma invoice, 30 days before the Wedding.

All the suppliers for your Wedding are chosen from Wedding More's exclusive suppliers. You pay each of them directly, except guest transport and the occasional supplier, which we invoice.

The final decisions are yours. Suppliers must be confirmed 3 months before the Wedding, and the guest list and seating plan, 45 days before.

You have 14 days to cancel free of charge from the date you contract the Service, provided the Wedding takes place more than 60 days later. After that period, if you cancel the Service you lose the Wedding More payment on account (clause 7).

1. Who we are and what these Terms cover

1.1. Who provides the service. AMIDA EVENTS, S.L.U. («AMIDA», «we»), under its brand Wedding More Mallorca («Wedding More»), with the details set out in clause 1.1 of the Amida Catering Terms and Conditions.

1.2. What they govern. These Wedding More Terms and Conditions («these Terms») govern the wedding planning service («the Service») for your wedding and, if you contract them, your pre-wedding and post-wedding events («the Wedding»). The Service is provided in Mallorca only. **They supplement the Amida Catering Terms and Conditions («the Amida Catering Terms»), which apply to the Service in everything not otherwise provided for here.** The words defined in them (Client, Quote, Event, pro forma invoice) have the same meaning in these Terms.

1.3. Options. Full planning, covering the entire organisation of the Wedding, or partial planning, covering the parts stated in the Quote.

1.4. One Quote and one invoice. The option contracted and its fee appear in the same Quote as the catering and are invoiced together.

1.5. Catering. The catering for all events coordinated by Wedding More is provided by us alone.

2. What the Service includes

2.1. Planning. The aim of the Service is the perfect organisation of the Wedding day. The first step is to plan the work: we give you a plan that explains how we will work and sets out, stage by stage, which meetings and video calls we will hold, when, how and with whom, in order to define the date, concept, style and budget of the Wedding and to take each decision in good time. You can follow the plan, your tasks and the schedule for the day on our online platform for couples.

2.2. Planning limits. The Service includes:

up to **40 hours** of planning;

a maximum of **6 meetings or video calls**, of up to **1.5 hours** each, in person (at the Wedding venue or at our office at C/ Gremi de Cirurgians i Barbers, 25, Palma) or online;

up to **2 accompanied visits** to each supplier.

2.3. Design. We propose an aesthetic and decorative concept for the Wedding, with up to **2 rounds of revisions**, and we deliver the moodboard, the seating plan, the stage layout plan, the schedule and a final dossier.

2.4. Suppliers. For photography and video, flowers, music, lighting and guest transport we propose up to **3 options**. The less time there is to organise the Wedding, the fewer suppliers may be available. We request and

negotiate their quotes, send them to you, accompany you to the flower trials and follow up on their deadlines and payments.

2.5. Catering. We coordinate the menu, special diets and the logistics of the venue with our catering team. Wedding More does not attend the menu tasting: our catering team looks after you there (clause 4.1 of the Amida Catering Terms).

2.6. Coordination team. The number of coordinators depends on the suppliers contracted and the complexity of the Wedding, with a minimum of **2 coordinators for up to 150 guests**. If the set-up is complex or the Wedding takes place at a private estate, the team is also present the day before. The Service includes the ceremony rehearsal, if there is one.

2.7. The Wedding day. The team supervises the arrival and set-up of the suppliers, keeps to the timings, coordinates the ceremony (civil, religious or symbolic) at the Wedding venue, looks after the couple and the guests and resolves any unforeseen issues. **It is present until the party begins** and, from that moment, takes care of the guests' coaches. If no coaches have been contracted, the Service ends when the party has been under way for **2 hours**. At a private estate, we also take care of the dismantling and its supervision.

2.8. Wedding planner. We assign a member of the team as your wedding planner. If they cannot attend on the Wedding day, they are replaced by another person with equal or greater experience.

2.9. Communication. We speak to you by email, through the online platform or by telephone, during office hours (Monday to Friday, 10:00 to 18:00) or at the times we agree if you live in a country in another time zone. **We use WhatsApp only while you are booking; once the Service has been contracted, we do not use WhatsApp.** We reply within a maximum of **48 business hours**.

2.10. What is not included and extensions. The Service does not include the price of the suppliers or of the catering, or any materials, whether purchased or hired. Nor does it include, unless they appear in the Quote, the coordination of a church ceremony away from the Wedding venue, the pre-wedding or the post-wedding event. If the limits in clause 2.2 are exceeded or you ask for additional work (for example, other events or the management of services not included), we will send you a quote, which you must accept before we carry out the work.

3. Fee

3.1. Fixed fee. The fee covers the coordination of the Wedding banquet, with all its details and suppliers. **It does not change with the number of guests, the number of suppliers or the rates for the year of the Wedding**, so clause 2.4 of the Amida Catering Terms does not apply to it. It only changes if you extend the Service (clause 2.10).

4. Booking and payments

4.1. Booking. If the Service appears in the Quote with which you book, it is booked with the initial payment for that Quote (clause 3.3 of the Amida Catering Terms). If you contract it after booking the catering, we will send you an updated Quote with a new payment schedule, which you pay within the periods it states.

4.2. Payment schedule. If your Quote includes the Service, you pay according to the schedule in clause 3.4 of the Amida Catering Terms, with two additions: **15 days after the initial payment you pay the Wedding More payment on account, €2,500 plus VAT (€3,025 VAT included)**, and the final pro forma invoice includes the rest of the fee and any services added, less the previous payments.

4.3. Payment on account. It is paid by bank transfer, like all other payments (clause 3.5 of the Amida Catering Terms), and is deducted in full from the fee in the final pro forma invoice.

5. Suppliers

5.1. Exclusive suppliers. Wedding More works only with its exclusive suppliers, and all the suppliers for the Wedding are chosen from among them. **You may not contract suppliers directly or without going through Wedding More.** If you would like a particular supplier or service, you ask us and we arrange it.

5.2. Quotes and payment. The supplier prices on our website (decoration, flowers, music and other services) are for guidance only. Each supplier prepares a tailored quote for the work commissioned and provides its service in accordance with that quote and its own conditions (price, payments and cancellation). **You pay each supplier directly**, except guest transport and the occasional supplier, which we invoice.

5.3. Commissions. Wedding More charges suppliers for coordinating their work and acting as intermediary throughout the preparation of the Wedding. **That commission does not increase the price you pay.**

6. Your decisions and obligations

6.1. Decisions. We recommend; **you take all the final decisions**, including approving the suppliers' quotes, and you bear their consequences. To avoid losing a supplier, approve its quote in good time.

6.2. Deadlines. You must have **all suppliers confirmed 3 months before** the Wedding, give us **the guest list and seating plan 45 days before** and provide in good time the information we ask for. We are not liable for the costs that your delays cause in the suppliers' invoicing, such as the number of guests invoiced if you do not confirm it in time (clause 4.3 of the Amida Catering Terms).

6.3. Team meals. The meals for the Wedding More team and for the event's technical staff are always at your expense.

6.4. Bad weather. Decisions due to bad weather are subject to the rules of the Wedding venue, to what is technically possible and to what the catering allows (clause 9.1 of the Amida Catering Terms). **Bad weather is not the responsibility of Wedding More.**

7. Changes and cancellation

7.1. Free cancellation within 14 days. The law does not grant a right of withdrawal for leisure services with a specific date (article 103(l) of Royal Legislative Decree 1/2007), as stated in clause 11.3 of the Amida Catering Terms. Therefore, **you may cancel the Service free of charge within 14 days of contracting it, and only if the Wedding takes place more than 60 days later.** Cancellation is made by email to legal@grupoamida.com. If you have already paid anything for the Service, we refund it in full within 30 days, as in clause 11.4 of the Amida Catering Terms.

7.2. If you cancel Wedding More only. After those 14 days, or if the Wedding is 60 days away or less, you may cancel the Service and keep the catering, but **you lose the Wedding More payment on account**: it is not refunded and, if you had not yet paid it, you must still pay it. You pay nothing further for the Service. The catering continues under its Quote and the Amida Catering Terms.

7.3. If you cancel the Wedding. Changes, changes of date, cancellation of the Event and force majeure are governed by clause 11 of the Amida Catering Terms. If you cancel the Event, the Service fee is included in the amount on which the cancellation scale is calculated.

8. Liability

8.1. We are liable for the planning and coordination we provide. We are not liable for the services of suppliers or other third parties, unless the damage is due to our failure to exercise due diligence in choosing or supervising them. If a supplier fails to perform, we will help you to claim and to find a solution. In all other respects, clause 12 of the Amida Catering Terms applies.

9. Confidentiality and intellectual property

9.1. Confidentiality and data. We do not disclose any information about the Wedding or about you, and we share with suppliers only the data needed to coordinate it. Photos and personal data are governed by clause 13 of the Amida Catering Terms.

9.2. Intellectual property. The designs, moodboards, plans and concepts created for the Wedding are the intellectual property of Wedding More. You may use them for your Wedding, but not for commercial purposes.

10. Law, language and versions

10.1. Clause 16 of the Amida Catering Terms applies.
